§ 41.85 Release from customs custody of imported tobacco articles.

(a) The provisions of this section apply only to tobacco products, cigarette papers, and cigarettes tubes, which are not put up in packages, *i.e.*, not placed by the manufacturer or importer in packages in which the products will be sold to consumers. Tobacco products manufactured in a foreign country, the Virgin Islands, or a possession of the United States may be released by the Port Director of Customs or authorized customs officer from customs custody, without payment of internal revenue tax, for transfer to the factory of any manufacturer of tobacco products under the internal revenue bond of the manufacturer to whom such articles are released. Cigarette papers and tubes manufactured in a foreign country, the Virgin Islands, or a possession of the United States may be released by the Port Director of Customs or authorized customs officer from customs custody, without payment of internal revenue tax, for transfer, under the internal revenue bond of the manufacturer to whom such articles are released, to the factory of a manufacturer of cigarette papers and tubes; or a manufacturer of tobacco products solely for use in the manufacture of cigarettes. Releases under this section must be in accordance with § 41.86: *Provided, however*, that in the

case of products exported from the Virgin Islands, in order for a manufacturer of tobacco products or a manufacturer of cigarette papers and tubes to remove such products from customs custody in the United States under the manufacturer's internal revenue bond without payment of internal revenue tax, the manufacturer must file an extension of coverage of the internal revenue bond on TTB Form 2105, and receive a notice of approval from the appropriate TTB officer. The extension of coverage must be executed by the principal and the surety and must be in the following form:

"Whereas the purpose of this extension is to bind the obligors for the purpose of the tax imposed by 26 U.S.C. 7652(b), on tobacco products and tubes exported from the Virgin Islands and removed from customs custody in the United States without payment of internal revenue tax, for delivery to the principal on said bond."

"Now, therefore, the said bond is further specifically conditioned that the principal named therein must pay all taxes imposed by 26 U.S.C. 7652(b) plus penalties, if any, and interest, for which he may become liable with respect to these products exported from the Virgin Islands and removed from customs custody in the United States without payment of internal revenue tax thereon, and must comply with all provision of law and regulations with respect thereto."

(b) Articles received into the factory of a manufacturer under the provision of this section are subject to the provisions of part 40 of this chapter.

factory of any tobacco products manufacturer or to the permit premises of an export warehouse proprietor.

(b) Domestically produced cigarette papers and tubes (classifiable under item 9801.00.80 of the Harmonized Tariff Schedule of the United States, 19 U.S.C. 1202) exported from and returned to the United States without change to the product or the shipping container may be released from customs custody in the United States without payment of that part of the duty attributable to the internal revenue tax for delivery, under the bond of the manufacturer to whom such articles are released, to the factory of:

(1) A manufacturer of cigarette papers and tubes; or

(2) A manufacturer of tobacco products solely for use in the manufacture of cigarettes.

(c) Releases under this section must be in accordance with the procedures set forth in §41.86. Once released, the tobacco products and cigarette papers and tubes will be subject to the tax and all other provisions of 26 U.S.C. chapter 52, and, as applicable, subject to the provisions of the regulations in part 40 of this chapter as if they had not been exported or otherwise removed from internal revenue bond.
